

## OAGS v Old Cranleighans at West Hill – 11<sup>th</sup> June 2019

**WON - 4 ½ : 1 ½**

Despite the deluge the day before, the rain kept off and West Hill was in superb condition for our match versus the Old Cranleighans in the Centenary salver. Sadly, we were now playing in memory of both Tim Hazel & Michael Howard who died last year. We struggled to find a team of 12 this year due to a number of factors so it was decided to play Singles matchplay off full handicap. Chris Newsam was lined up to play the OC star player but he also pulled out at the last moment. After a good lunch, the OCs were hoping to avenge their first round defeat at the Halford Hewitt but it was not to be.
