

OAGS v Old Paulines at Royal Ashdown – 23th June 2019

Result: Win 4 – 3

Our Captain, Alex Cuppage was excused being match manager for this enjoyable occasion as he had a rather special birthday – happy 70th Alex ! So he delegated his role to Alex Codrington (a member) who is rose to the occasion, although he also had a son’s birthday to attend. Rob Record and spaniel arrived just in time but sadly OAGS were still one light so we played 5 singles and Rob took on two Paulines. He scraped a half but it could be argued that we had an honourable draw.

It was an overcast, sultry day but the course was in wonderful condition and we appeared to have the course to ourselves. It was very pleasant to sit on the new extended balcony for a pre-lunch drink prior to an excellent lunch. Once again, both sides agreed to make every effort to field a full side of 5 or 6 pairs next year. It is such a good track and a sunny Sunday in June should attract many more members.
